Shuru karne se pehle

App kholne se lekar pehli entry tak. Yeh teen page padh lo, baaki sab apne aap samajh aa jayega.

1

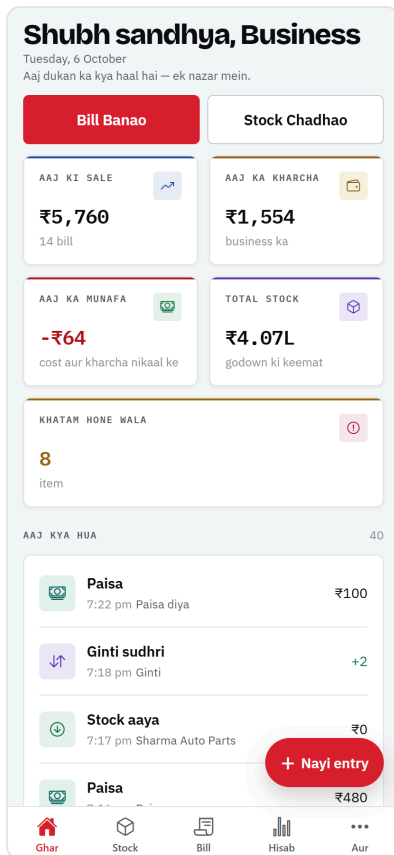

Login

App khulte hi yeh screen aati hai. Email aur password wahi daalo jo maalik ne aapke liye banaya hai.

- 1 EMAIL mein apna email likho — naam nahi, email.
- 2 PASSWORD daalo, phir “Kholo” dabao.
- 3 Password bhool gaye ho to neeche “Password bhool gaye?” par tap karo.

DHYAAN RAKHO

Pehli baar login ke baad app saara maal aur khata phone mein utaar leta hai — ek-do minute lag sakte hain. Uske baad signal na ho tab bhi app poora chalta hai; net aate hi sab apne aap server par chala jaata hai.

2

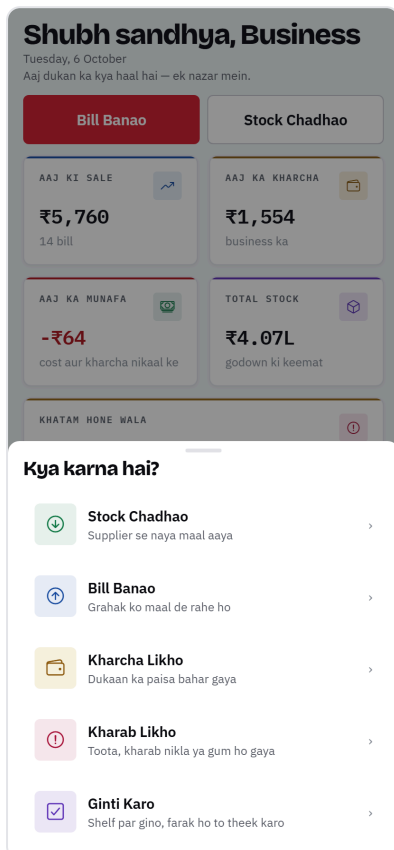

Ghar — pehli screen

Din ka haal ek nazar mein. Upar do bade button, beech mein aaj ke number, neeche aaj kya-kya hua.

- 1 “Bill Banao” — grahak ko maal de rahe ho to yahin se.
- 2 “Stock Chadhao” — supplier se maal aaya to yahin se.
- 3 AAJ KI SALE aur AAJ KA KHARCHA — aaj kitna bika, kitna paisa bahar gaya.
- 4 AAJ KA MUNAFA aur TOTAL STOCK — yeh do sirf maalik aur admin ko dikhte hain.
- 5 Neeche “AAJ KYA HUA” mein har entry time ke saath dikhti hai.

DHYAAN RAKHO

Staff ke phone par kharid rate, munafa aur nuksan kahin nahi dikhta — yeh maalik ka hisaab hai. Munafa laal dikhe to iska matlab aaj kharcha sale se zyada hua.

3

Laal “+ Nayi entry” — saare kaam yahin se

Neeche daayein taraf laal button. Dabao to paanch kaam dikhte hain — jo aapka role kar sakta hai, sirf wahi.

- 1 Stock Chadhao — supplier se naya maal aaya.
- 2 Bill Banao — grahak ko maal de rahe ho.
- 3 Kharcha Likho — dukaan ka paisa bahar gaya (chai, transport, bijli).
- 4 Kharab Likho — maal toot gaya, kharab nikla ya gum ho gaya.
- 5 Ginti Karo — shelf par gino, farak ho to theek karo.

Roz ka kaam

Chaar kaam jo har din hote hain. Inhe theek se karoge to baaki hisaab apne aap sahi rehta hai.
