Shuru karne se pehle

App kholne se lekar pehli entry tak. Yeh teen page padh lo, baaki sab apne aap samajh aa jayega.

1

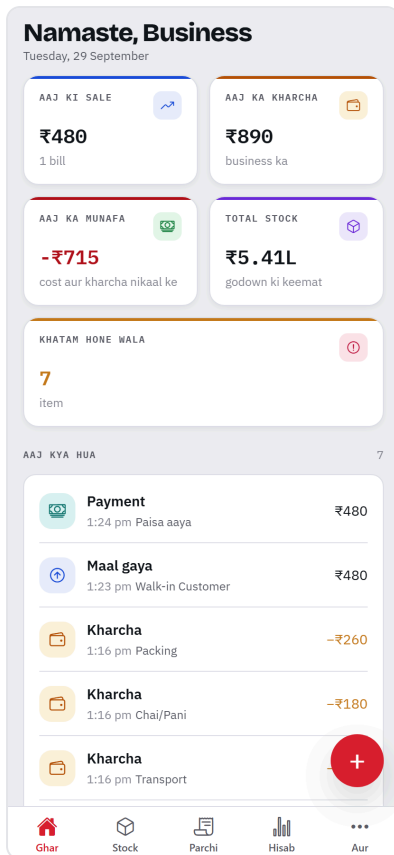

Login

App khulte hi yeh screen aati hai. Email aur password daalo jo maalik ne banaya hai.

- 1 EMAIL mein apna email likho — user name nahi, email.
- 2 PASSWORD daalo, phir “Kholo” dabao.
- 3 Password bhool gaye ho to neeche “Password bhool gaye?” par tap karo.

DHYAAN RAKHO

Pehli baar login karne ke baad app saara maal aur khata phone mein utaar leta hai. Ek-do minute lag sakte hain — ek baar ho gaya to phir signal na ho tab bhi app poora chalta hai.

2

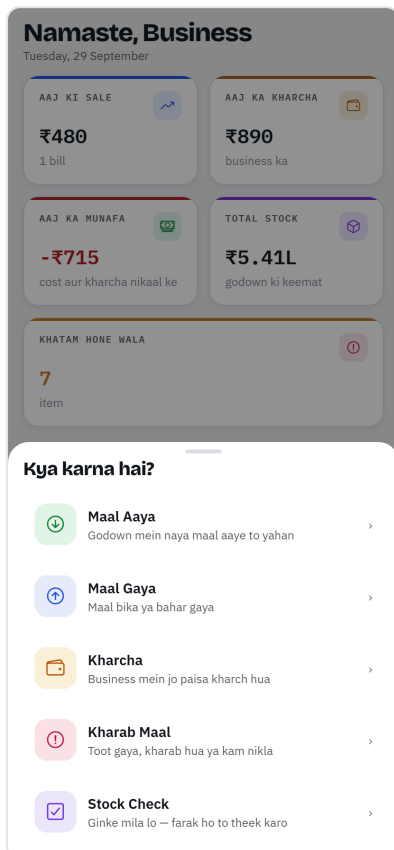

Ghar — pehli screen

Din ka poora haal ek nazar mein. Upar paanch number, neeche aaj kya-kya hua.

- 1 AAJ KI SALE — aaj kitne ka maal bika.
- 2 AAJ KA KHARCHA — business ka kitna paisa bahar gaya.
- 3 AAJ KA MUNAFA — maal ki cost aur kharcha nikaal ke kitna bacha.
- 4 TOTAL STOCK — godown mein pada saara maal kitne ka hai.
- 5 KHATAM HONE WALA — kitne item khatam hone ko hain.
- 6 Neeche “AAJ KYA HUA” mein har entry time ke saath dikhti hai.

DHYAAN RAKHO

Munafa laal dikhe to ghabrao mat — iska matlab aaj kharcha sale se zyada hua. Mahine ka asli hisaab “Hisab” tab mein dekho.

3

Laal “+” — yahin se sab kaam shuru hota hai

Neeche daayein taraf jo laal gol button hai, wahi din bhar ka sabse zyada istemaal hone wala button hai. Dabate hi paanch kaam khul jaate hain.

- 1 Maal Aaya — godown mein naya maal aaya.
- 2 Maal Gaya — maal bika, bill banana hai.
- 3 Kharcha — business ka paisa bahar gaya.
- 4 Kharab Maal — toot gaya, kharab hua ya kam nikla.
- 5 Stock Check — ginti karke mila lena.

DHYAAN RAKHO

Neeche ki patti (Ghar, Stock, Parchi, Hisab, Aur) jagah hai — jahan aap jaate ho. “+” kaam hai — jo aap karte ho. Isliye woh alag button hai.

Roz ka kaam

Teen kaam jo har din hote hain. Inhe theek se karoge to baaki sab apne aap sahi rehta hai.

Transport, bijli, chai, packing, repair — business ka jo bhi paisa bahar jaye, yahan likho.

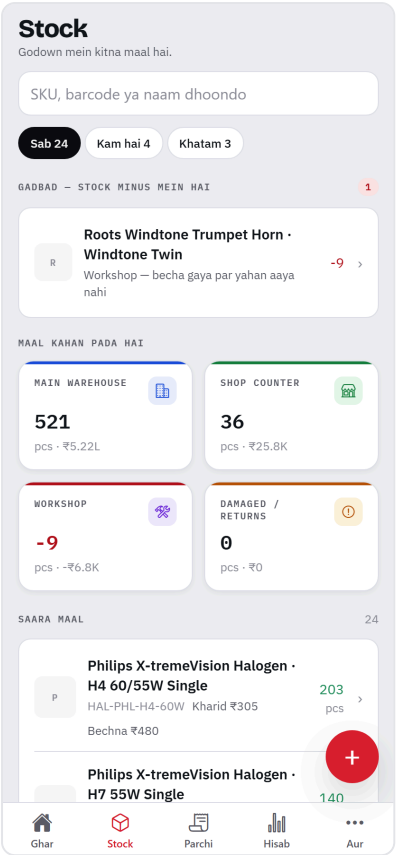

- 1 “+” dabao → “Kharcha”. Cursor seedha amount mein aa jaata hai.
- 2 Amount type karo — ₹40 ki chai ke liye bas “40”.
- 3 “KIS CHEEZ KA” mein se ek chuno.
- 4 Paisa kaise diya — Cash, Online ya UPI.
- 5 “Kisne diya” mein naam likho ya neeche se chuno.
- 6 “₹... likh do” dabao.

DHYAAN RAKHO

Maal kharidna kharcha nahi hai — woh “Maal Aaya” mein jaata hai. Yahan sirf woh paisa likho jo maal ke alawa gaya.

Stock — maal ka hisaab

Kitna maal hai, kahan hai, kya khatam hone wala hai, aur kya kharab nikla.

7

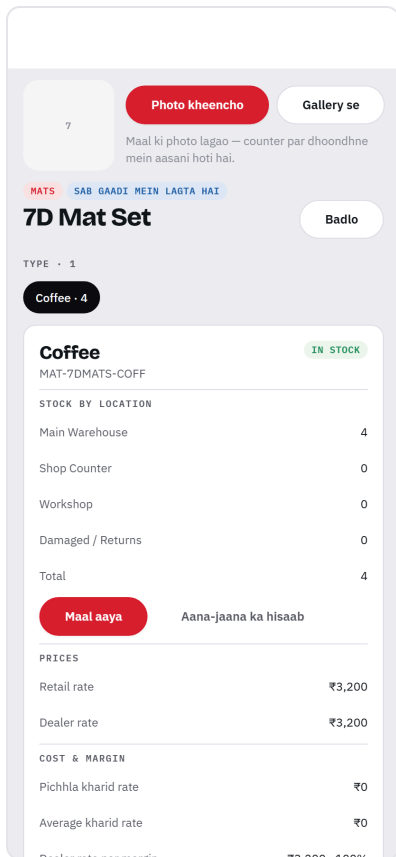

Stock — saara maal

Godown mein kitna maal hai. Upar dhoondhne ka box, phir teen chip, phir jagah ke hisaab se maal, phir poori list.

- 1 “Sab” — saara maal. “Kam hai” — jo khatam hone wala hai. “Khatam” — jo zero ho gaya.
- 2 “MAAL KAHAN PADA HAI” — har jagah ka maal aur uski keemat.
- 3 Har line par: kitne pcs, kharid rate aur bechne ka rate.
- 4 Kisi bhi item par tap karo to uska poora page khulta hai.

DHYAAN RAKHO

Agar upar laal mein “GADBAD — STOCK MINUS MEIN HAI” dikhe, to kahin se maal becha gaya hai jahan woh pahuncha hi nahi. Us par tap karke theek kar lo, warna hisaab aage jaake galat ho jayega.

8

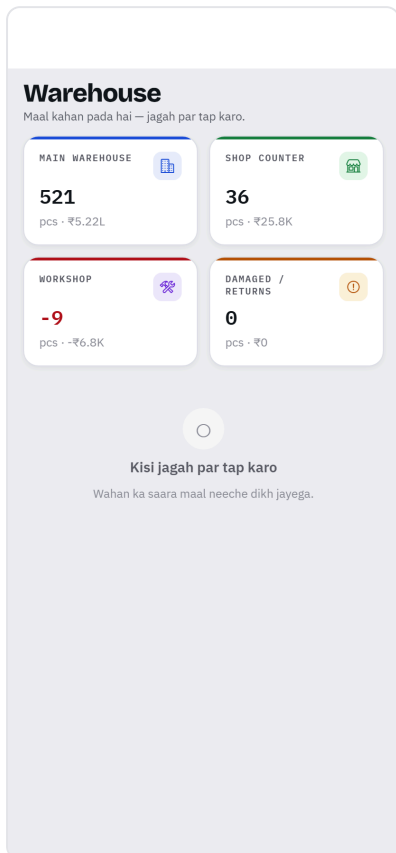

Item ka page

Ek maal ke baare mein sab kuch — photo, rate, kitna pada hai, kahan pada hai, aur uska poora aana-jaana.

- 1 Photo dekh ke pakka kar lo ki yahi maal hai.
- 2 Rate aur stock upar dikhte hain.
- 3 Neeche us maal ka poora ledger hai — kab aaya, kab gaya, kis rate par.

DHYAAN RAKHO

Kisi item ka photo nahi laga hai to isi page se laga do. Counter par maal dhoondhne mein photo sabse zyada kaam aati hai.

9

Maal kahan pada hai

Godown, dukan, workshop — kis jagah kitna maal hai aur kitne ka.

- 1 “Aur” tab → GODOWN → “Maal kahan pada hai”.
- 2 Kisi bhi jagah par tap karo — wahan ka saara maal neeche khul jayega.

- 3 Message pehle se taiyaar aata hai — bas bhej do.

17

Hisab — kitna bacha

Kitna bika, maal ki cost kitni thi, kitna kharcha hua, aur asli munafa kitna raha.

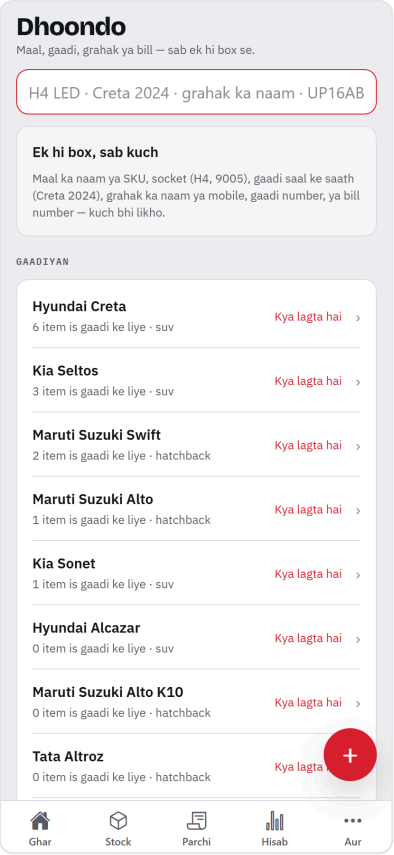

- 1 Upar se waqt chuno — Aaj, 7 Din, Is Mahine, ya Custom.
- 2 Sale minus maal ki cost = Gross Profit.

- 4 Kisi bhi figure par tap karo to peeche ki saari entries khul jayengi.

DHYAAN RAKHO

Maal kharidna kharcha nahi hai — woh cost tab banta hai jab maal bikta hai. Isliye jis mahine bahut maal kharida, us mahine munafa apne aap kam nahi dikhega.

Dhoondna

Do jagah se dhoondh sakte ho, aur dono alag sawaal ka jawaab dete hain.

- 2 Role chuno — har role ke neeche likha hai ki woh kya kar payega.
- 3 Kisi ka password badalna ho to yahi se.

DHYAAN RAKHO

Counter wale staff ko kharid rate nahi dikhta. Yeh jaan bujh kar hai — role sahi chuno.

21

Naya item banana

Naya maal catalogue mein daalna — ek hi page par.

- 1 Photo kheencho — counter par dhoondhne mein sabse zyada yahi kaam aati hai.
- 2 Category chuno, naam likho, qty aur bechne ka rate daalo.
- 3 Gaadi, colour, kharid rate aur warranty “Aur detail” ke andar hain — zaroorat ho tabhi kholo.
